I'd like to ask you a few questions now about what you might have been doing since September 1st last year in the way of paid work, unemployment, or things like time spent retired or looking after your family. We can use this calendar to help sort it out.

HAND CALENDAR

As we need to get as complete a picture as possible I'd like you to tell me about any spells you may have had in or out of paid employment, even if they were just a few days when you were waiting to take up another job. I'd also like you to tell me about any changes that might have happened while you were working like getting promoted or starting a different job with the same employer.

I'll start by asking what you were doing immediately before {your current job which you told me earlier started on (DATE J8)/your current spell of (CODE J9) which started on (DATE J10)}

J12. **SHOWCARD 26**

Can you look at this card please and tell me which of the descriptions comes closest to what you were doing immediately before then?
