I'd like to ask you a few questions now about what you might have been doing since September 1st 1997 in the way of paid work, unemployment, or things like time spent retired or looking after your family. We can use this calendar to help sort it out.

HAND CALENDAR

As we need to get as complete a picture as possible I'd like you to tell me about any spells you may have had in or out of paid employment, even if they were just a few days when you were waiting to take up another job. I'd also like you to tell me about any changes that might have happened while you were working like getting promoted or starting a different job with the same employer.

I'll start by asking what you were doing immediately before {your current job which you told me earlier started on (DATE J5)/your current spell of (CODE J6) which started on (DATE J7)}

SHOWCARD J2

Can you look at this card please and tell me which of the descriptions comes closest to what you were doing immediately before then?

LIVING IN BRITAIN

Thank you for agreeing to take part in the Living in Britain survey. This questionnaire will be given to several hundred young people between the ages of 11 and 16 to find out about their health, their families, their hopes and their concerns. Please take a few seconds to adjust the volume wheel on the tape player so that my voice is loud enough.

Your answers will be kept confidential and your responses will in no way be identified with you. So that you can answer all of the questions honestly, without worrying about anyone seeing your answers, the questions will be read on this tape.

There will be a short pause after I read each question so that you can mark your answer in the answer booklet. To indicate your answer, please tick the box that applies or write in your answer. Before you tick the box, please look at the question number on the answer sheet to make sure that it matches the question number that you heard on the tape. If you have any questions or need help, please stop the tape and ask the interviewer. If you need more time to answer any question, then press the 'stop' button and press 'play' when you are ready to start again. Please find these buttons now.

WAVE 8 MAINSTAGE
Young Person Questionnaire

Script

FOR INTERVIEWER USE ONLY

Thank you for agreeing to take part in the Living in Britain survey. This questionnaire will be given to several hundred young people between the ages of 11 and 16 to find out about their health, their families, their hopes and their concerns. Please take a few seconds to adjust the volume wheel on the tape player so that my voice is loud enough.

Your answers will be kept confidential and your responses will in no way be identified with you. So that you can answer all of the questions honestly, without worrying about anyone seeing your answers, the questions will be read on this tape.

There will be a short pause after I read each question so that you can mark your answer in the answer booklet. To indicate your answer, please tick the box that applies or write in your answer. Before you tick the box, please look at the question number on the answer sheet to make sure that it matches the question number that you heard on the tape. If you have any questions or need help, please stop the tape and ask the interviewer. If you need more time to answer any question, then press the 'stop' button and press 'play' when you are ready to start again. Please find these buttons now.
