

Curriculum Vitae – Emily Grundy

Education:

- 1988 PhD Medical Demography University of London (Faculty of Medicine) (External student: advisor Professor William Brass; Examiners Professors Ian Diamond and John Hobcraft).
1979 MSc Medical Demography (MRC studentship, Distinction & Prize winner) London School of Hygiene and Tropical Medicine
1976 BA (Hons) History King's College, Cambridge (MA 1980)

Employment:

- 1.10.2017→ Professor of Population Science and Director, Institute for Social and Economic Research, University of Essex
1.10-2013→ Professor of Demography, Department of Social Policy, London School of Economics (part time Research Professor from October 2017)
2011-2013 The Professor of Demography, University of Cambridge
2003– 2011 Professor of Demographic Gerontology, London School of Hygiene & Tropical Medicine
1998-2003 Reader in Social Gerontology, London School of Hygiene & Tropical Medicine (Head of Centre for Population Studies 2000-2003)
1986-1998 Lecturer then Reader, Institute of Gerontology, King's College, London
1983-1986 Research Fellow, Social Statistics Research Unit, the City University, London
1981-1983 Research Officer, Department of Health Care of the Elderly, University of Nottingham
1979-1981 Research Officer, London Borough of Tower Hamlets
1976-1978 Housing Officer, Anchor Housing Association, London (sheltered housing for older people)

Honorary/secondary positions:

- 01.05.2016→ Visiting Professor, University of Halle (Saale), Germany
1.01.2013→ Honorary Professor of Demography, LSHTM
Jan-Mar 2012 Distinguished Visiting Professor, Australian National University
2011-2014 Director ESRC National Centre for Research Methods Node *Pathways: Identifying and measuring causal pathways from social to health disadvantage*
2001-2012 Director, Centre for Longitudinal Study Information and User Support (CeLSIUS)

Selected other activities:

UK

- 2015→ External Advisory Committee, Center for health Metrics and Evaluation, Seattle, USA
2015→ Chair, Population Investigation Committee
2011-15 UK Research Councils' Lifelong Health and Wellbeing Advisory Group of Experts (AGE)
2011-13 BPS/ONS Expert Advisory Panel for National Population Projections
2011-2013 Scientific Committee, UK Birth Cohort Studies
2010-2011 Academic advisory panel, Commission on Funding of Care and Support
2009-2011 President, British Society for Population Studies
2007→ Advisor and member academic advisory group, International Longevity Centre UK
2006→ Advisory Group, English Longitudinal Study on Ageing
2006-2010 Advisory Board for the Centre for Census and Survey Research, University of Manchester
2003→2011 London Health Observatory Expert Advisory Council
2001→ 2012 ESRC Census Advisory Committee
2001→ 2012 Office for National Statistics Steering Group for ONS Longitudinal Study.

International

2014-2018	Council Member, International Union for the Scientific Study of Population
2012→	Council of Advisors, Population Europe
2011-2017	European Joint Programming Initiative; Working Group Member 'More Years, Better Lives, The Potential and Challenges of Demographic Change'
2010 -2014	Secretary General and Treasurer, International Union for the Scientific Study of Population
2002-2009	Chair, European Association for Population Studies Working Group on demographic change and care for older people.
2005-2009	Expert Member of External Review Panel: Strategic Reviews of Spanish National Research Council Social Sciences Institutes
2005-7	Member Scientific Steering Group Urban Health Research Project, American University of Beirut
2002-2009	Chair, European Association for Population Studies Working Group on demographic change and care for older people
2002-2004	Convenor, European Science Foundation Network: Family Support for Older People (FAMSUP).

Main Research Grants 2000-

ESRC 2017-2019. *Methods for the Analysis of Longitudinal Dyadic Data, with Applications to Intergenerational Exchanges of Family Support* (Co-I.; PI Fiona Steele).

EU Horizon 2020 2016-2020. *MINDMAP: Promoting mental wellbeing in the ageing urban population: Determinants, policies and interventions in European cities.* (Co-I., PIs Mauricio Avendano and Frank Van Lenthe).

European Commission 2016-18. *Network on quality and cost effectiveness in long-term care and dependency prevention* (Co-I.; PI JL Fernandez.)

ESRC 2014-2018 (ES/L001896/1). *Comprehensive approach to modelling outcome and cost impacts of interventions for dementia* (Co-I., PI Martin Knapp).

European Research Council Euro 2013-2018 Advanced Grant, *Family life courses, intergenerational exchanges and later life health.*

ESRC 2011- 2015 (PI). *Pathways: Identifying and measuring causal pathways from social to health disadvantage*

ESRC (PI) 2001-2011 *Centre for Longitudinal Study Information and User Support (CeLSIUS)*; Co-I 2012-2017.

WHO January 2011-February 2012. *Commission on the social determinants of health in Europe: leader of task group on older people.*

ESRC 2007- 2010 RES-339-0002 (PI MJ Murphy). *Modelling Needs and Resources of Older People to 2030*

ESRC RES-348-25-0013. April 2008-June 2009 (PI; with PB Boyle and D O'Reilly). *Developing integrating analyses of the England and Wales, Scottish and Northern Ireland Census longitudinal studies: health and mortality as a case study.*

European Commission Framework 6 via Institut National d'Etudes Demographiques, Paris 2006- 2010. Co-applicant, (PI J Gaymu). *Major Ageing and Gender Issues in Europe (MAGGIE).*

Norwegian Academy of Sciences: Centre for Advanced Study at the Norwegian Academy. 2006-2007. Co-applicant, (PIs N Keilman & O Kravdal). *Changing family patterns in Norway and other industrialised countries: determinants, consequences and projected trends.*

Nuffield Foundation August 2006-December 2007 (PI). *Family support and well-being among the oldest old.*

ESRC Ref. RES-348-25-004 Jan 2006-Dec 2007. Co-applicant, (PI H Young). *Living arrangements, health and well-being: A European Perspective.*

The Wellcome Trust 2005-2009. Co-applicant, (with R Uauy (PI), A Dangour, and C Aedo). *Cost-effectiveness evaluation of a nutrition and exercise programme for older people in Chile.*

Joseph Rowntree Foundation April 2004-Sept 2005 (PI; with H Young). *Care providers: care receivers: a longitudinal analysis.*

ESRC Ref RES-000-23-0394 Jan 2004-Dec 2005 (PI; with M Wadsworth, J Henretta and others). *Partnership and parenting histories: implications for health in mid and later life.*

Finnish Academy of Sciences 1.1. 2004-31.12.2007. Co-applicant (with S Koskinen (PI), T Martelin, P Martikainen, M Murphy and others). *Marital status, living arrangements and health, trends, comparisons and causes.*

European Commission Framework 5 via Institut National d'Etudes Demographiques, Paris. January 2003-November 2005. Co-applicant (with P Festy (PI) and others). *Future living conditions of elderly people in Europe (FELICIE).*

European Science Foundation Jan 2002-Jan 2004 (PI; with K Glaser, C Tomassini and others). *Support for research network on Family circumstances, well-being and use of services among elderly people in Europe.*

Department of Health August 2001-March 2003. Co-applicant (PI A Sloggett). *Socio-economic and socio-demographic inequalities in cancer incidence and survival in the older population of England and Wales*

ESRC, Ref L128251040 October 1998-August 2000.(PI) *Social resources, health and disability in the population aged 55 and over.*

ESRC 1998-April 2000. £128,016. (PI) *Beyond the household: family exchanges in a changing demographic context.* R000237776.

PhD student supervision

Constantinos Prouskas *Investigating aspects of health among older Greeks: The development and utilisation of an Hellenic version of a multidimensional functional assessment questionnaire.* PhD awarded 2000.

Wendy Wills (ESRC studentship) *Well-being during the transition to adulthood: Analyses of family life and eating healthily in Great Britain.* PhD awarded 2003.

Elza de Souza (Brazilian Government funded). *Intergenerational interaction, attitudes and self-rated health status: A study in Ceilandia, Federal District of Brazil.* PhD awarded 2005.

Alisha Davies (ESRC studentship) *Investigating Gender and Constituent Country Differences in Coronary Heart Disease Epidemiology and Prevention in the United Kingdom*. PhD awarded 2009.

Dulce Baptista (Brazilian Government funded). *Active life expectancy among older persons in Latin America and the Caribbean: conceptual and methodological issues in measuring disability prevalence*. PhD awarded 2012.

Giorgio di Gessa (Bloomsbury studentship). *Determinants of older people's engagement in work, active leisure and social participation: A European comparison*. PhD awarded 2012

Katy Keenan (ESRC studentship). *Alcohol use, family dynamics, and family health and social outcomes in Russia*. (co-supervisor with Dave Leon). PhD awarded 2013.

Rohini Mathur (ESRC funded via Pathways grant). *Using computerised health records to investigate ethnic inequalities in health and use of healthcare in the UK*. PhD awarded 2015.

Maryam Tajvar. *Family structure, social support and health in the older population of Iran*. (co-supervisor Astrid Fletcher) awarded 2015.

Emilie Courtin. *National factors associated with social participation of older people with depression in England and France* (with M Knapp) awarded 2017.
