INTRODUCTION: One of the most important parts of our research is how people are getting by financially these days. We have found that we need to ask about a number of different types of income because otherwise our results could be misleading. I'd like to remind you that anything you tell me is completely confidential.

F1 I am going to show you four cards listing different types of income and payments. Please look at this card (**SHOWCARD 54**) and tell me if, since September 1st 2006, you have received any of the types of income or payments shown, either just yourself or jointly?
