4.6 Keynote/ Invited Plenary Presentations:

- Society for Lifecourse and Longitudinal Studies International Conference: "How will we carry out longitudinal surveys in the future?" (keynote, Colchester UK, September 2024)
- Workshop on Survey Nonresponse: "Nonresponse in longitudinal surveys" (keynote, Sigtuna, Sweden, September 2022)
- International Total Survey Error Workshop: "Total survey error for longitudinal surveys" (keynote, Bergamo, Italy, June 2019)
- The National Academies of Sciences, Engineering, and Medicine Committee on Population (CPOP): "Recruitment and presence of population subgroups over the life Course: Maintaining representativeness in longitudinal studies" (Washington DC, June 2018)
- Inter-American Development Bank: "Panel attrition: Why is it of concern? And what can we do about it?" (Washington DC, October 2017)

Danish Society for Survey Research: “From standardised to targeted survey procedures: a paradigm shift?” (Copenhagen, February 2016)

International Conference of Panel Data Users in Switzerland: “Mixing modes on household panel surveys: opportunities, constraints and challenges” (Lausanne, February 2013)

French National Institute for Demographic Studies (INED): “Designing longitudinal surveys to represent both longitudinal and cross-sectional populations” (Paris, December 2011)

European Central Bank: “Some issues in sample design, following rules and weighting for panel surveys” (Frankfurt, November 2011)

Cathie Marsh Memorial Seminar: “Understanding non-response and reducing non-response bias” (London, November 2009)

International Conference of the German Priority Programme on Survey Methodology: “Methodological research for longitudinal surveys” (keynote, Bremen, November 2009)

Statistics Canada International Methodology Symposium: “Methodology of longitudinal surveys: current trends and future prospects” (keynote, Ottawa, October 2009)

European Survey Research Association: “Mixed or muddled? combining survey modes in the 21st century” (keynote, Warsaw, July 2009)

SHARE Research Workshop: “The ESS programme of research into data collection modes” (Mannheim, July 2009)

Royal Statistical Society Social Statistics Section: “Innovation in longitudinal survey methods” (London, January 2009)

European Social Science Infrastructure Quality Enhancement Workshop: “Prediction of design effects as a tool for sample design” (Mannheim, January 2007)

Household, Income and Labour Dynamics in Australia (HILDA) Research Conference 2005: “Measurement error in longitudinal surveys” (keynote, Melbourne, September 2005)

Annual Conference of the UK Government Statistical Service: “Quality profiles for longitudinal surveys” (London, June 2005)

World Statistical Congress (International Statistical Institute): “Inferential potential of non-probability samples” (Sydney, April 2005)

Swedish Conference on Official Statistics: “Non-sampling errors in surveys: some common problems and some practical solutions” (keynote, Stockholm, November 2004)

Annual Conference of the Social Research Association: “Survey methodology past, present and future” (London, December 1999)

Royal Statistical Society Social Statistics Section: “The effects of extended interviewer attempts on nonresponse bias” (London, December 1999)

International Conference on Survey Nonresponse: “The effects of extended interviewer attempts on nonresponse bias” (Portland, Oregon, October 1999)

Royal Statistical Society Open Meeting: “How should opinion polls be improved?” (London, June 1995)

Cathie Marsh Memorial Seminar: “Evidence of the inaccuracy of quota samples” (London, November 1994)

Annual Conference of the American Association of Public Opinion Research: “The 1992 British General Election: Why did the polls get it wrong?” (Chicago, May 1993)

Annual Aves Lecture: “Whither volunteering? Evidence from the National Survey of Voluntary Activity” (London, December 1991)

5. Teaching and Training

5.1 Postgraduate Teaching

- Contributor on “Weighting and Imputation” to Postgraduate seminar series for the social sciences at University of Cambridge, 2017-18 to 2019-20
- Convenor of MSc module, “Dealing with Survey Coverage and Non-Response” (SC973), University of Essex, 2015-16, 2016-17
- Convenor of MSc module, “Survey Sampling, Non-Response and Inference” (SC971), University of Essex, 2009-10 to 2014-15, 2017-18 to 2019-20
- Convenor of MSc module, “Survey Practicum” (SC972), University of Essex, 2014-15
- Contributor to MSc module, “Applications of Data Analysis” (EC969), University of Essex, 2001-02 to 2009-10
- Contributor on "Survey Sampling" to MSc in Social Policy and Research Methods at University of North London 1996, 1997, 1998
- Contributor on "Sample Design and Sampling Error" to LSE Methodology Institute seminars on survey methodology for postgraduate students and junior researchers. 1994, 1995, 1996
- Contributor on "Sampling Minority Populations" to MSc in Social Research Methods and Statistics at City University 1992-93 to 1994-95
- Contributor on "Survey Sampling Methods" to MSc in Social Psychology at St.Thomas/Guys Hospital 1992-93

5.2 Presentation of Short Courses

- “Weighting for survey data analysis”, 1-day course presented at the University of Essex, 21 April 2016
- “Design and implementation of longitudinal surveys”, 5-day course presented in Cologne as part of the GESIS Summer School in Survey Methodology, 17-21 August 2015 (with Tarek Al Baghal)
- “Using weights and sample design indicators in *Understanding Society*”, half-day course presented in Colchester in conjunction with the *Understanding Society* Scientific Conference, 20 July 2015, 10 July 2017
- “Methods for longitudinal surveys”, 1-day course presented in Dublin in conjunction with the 58th World Statistics Congress, International Statistical Institute, 20 August 2011
- “Survey modes and survey quality”, 2-day course presented in Dun Laoghaire for the European Foundation for the Improvement of Living and Working Conditions (EuroFound), 7-8 July 2011
- “Methods for longitudinal surveys”, 2-day course presented in Washington DC for the Joint Program in Survey Methodology, 13-14 June 2011 and 27-28 May 2014
- “Analysing complex social surveys”, 1-day masterclass presented in Stirling for the Scottish Social Survey Network, 25 March 2010
- “Hypothesis testing using complex survey data”, 1-day course presented in Prague in conjunction with the conference of the European Survey Research Association, 25 June 2007
- “Design and implementation of longitudinal surveys”, 3-day course presented in Bilbao on behalf of the Basque Statistical Office, November 2005
- “Errors of non-observation: coverage, sampling and non-response, 1-day course presented in Prague for the Czech National Statistical Office, November 2004

- “Weighting for sample surveys”, 1-day course presented in Sarajevo for the government statistical agencies of Bosnia and Herzegovina, March 2003
- "Sampling, non-response and weighting", 10-day course on the Essex Summer School in Social Science Data Analysis and Collection (2002, 2003, 2004, 2005)
- “Survey and sample design”, 1-day course presented in Brighton for the Institute for Employment Studies, November 2001
- "Handling survey non-response," 5-day course presented on 6 occasions as part of Eurostat's *Training of European Statisticians* programme, in London (twice), Ljubljana, Nicosia, Neuchâtel and Vienna (1999-2004)
- "Sampling theory and practice," 3-day course presented on 9 occasions at the Civil Service College, London (1996-2005)
- "Survey sampling for researchers," 3-day course presented on 13 occasions in various locations, including London, Southampton, York, Manchester, Edinburgh, Brighton (1993-2002)
- "Methodology of postal and self-completion surveys," 2-day course presented on 3 occasions in London and Manchester (1996-1999)
- "Introduction to survey sampling and weighting," 1-day course presented on 2 occasions in London for the Social Research Association (1996-1997)
- "Advanced issues in survey sampling and weighting," 1-day course presented on 2 occasions in London for the Social Research Association (1997-1998)

5.3 Contributions to Other Courses and Training Programmes

- Contributor on “Controlling sampling error”, “Controlling non-response error I: design and fieldwork”, “Controlling non-response error II: weighting and estimation”, and “Controlling measurement error” to Quantitative Methods in the Social Sciences (QMSS) Summer School on “Understanding Survey Quality”, Lausanne, August 2010
- Contributor on “Panel attrition” to Bamberg Summer Academy on Longitudinal Research for Educational Measurement, July 2009
- Contributor on "Non-response and Coverage Errors" to Eurostat (TES) course on Sampling Techniques and Practice, Southampton, 1994, 1995, 1997, 1998, 1999, 2000, 2001, 2002, 2003
- Consultant to UK Central Statistical Office on developing a survey statistical training programme and contributor to pilot survey statistical training course. 1994

5.4 Student Supervision

- PhD Supervision (internal): Annette Jäckle, 2004-2008; Annelies Blom, 2006-2009; Mari Toomse, 2008-2011; Hazel Pettifor, 2008-2012; Husam Sadig 2010-2015; Alexandru Cernat 2012-2015; Stavros Poupakis 2013-14; Yamil Nares 2013-2015; Alexander Wenz 2014-2018; Vilma Agalioti-Sgompou 2012-2021; Carlos Lagorio 2013-2018; Linh Nguyen 2016-present; Jennifer Kelley 2016-2021; Nicole James 2019-2023
- PhD Advisor (external): Denise Sassenroth, Karl van Ossietzky University of Oldenburg, 2007-2012; Mélanie Revilla, Pompeu Fabra University, Barcelona, 2009-2012; Alessandra Gaia, Università di Milano Bicocca, 2012-2015
- PhD Examination: Femke de Keulenaer, University of Antwerp, 2008; Peter Lugtig, University of Utrecht, 2011; Jorre Vannieuwenhuyze, KU Leuven, 2013; Marjo Pyy-Martikainen, Åbo Akademi University (pre-examination), 2013; Lisa Calderwood, University College London,

2015; Vivian So, University of Southampton, 2017; Hafsteinn Einarsson, University of Manchester, 2023.

MSc Supervision: Felipe Ramirez, 2006; Andrei Parisi, 2007; Sarah Budd 2010; Elaine Fowler 2011; Gemma Mitchell 2012; Carlos Lagorio 2013; Amy Wheeler 2014; Pablo Cabrera Alvarez 2014; Helena Retamal Gonzalez 2016; Brendan Read 2016; Kunal Singh 2017; Nicole James 2017; Hansa Bissoondeal 2020; Charlotte Bergli 2021

6. Research Funding (current and recent)

Research Infrastructure Services to Support Next Generation EU (Infra4NextGen); European Commission via ESS-ERIC; 01-03-2024 to 29-02-2028, €9,751,830 (Essex €78,418), work package leader (Essex PI) (P.I. Rory Fitzgerald).

Survey Data Collection Methods Collaboration; UKRI-ESRC; ES/X014150/1; 01-07-2023 to 30-06-2026, £4,223,430, Principal Investigator.

Understanding Society: The UK Household Longitudinal Study Waves 17 to 21; UKRI-ESRC; ES/Y003071/1; 01-04-2024 to 31-3-2030, £99,399,901, Co-Investigator (P.I. Michaela Benzeval).

European Social Survey Sampling and Weighting; European Commission via City, University of London; 01-06-2023 to 31-05-2025, €402,388, Principal Investigator.

Understanding Society: The UK Household Longitudinal Study Wave 16 Extension; ESRC; ES/T002611/1; 01-04-2023 to 31-12-2026, £13,758,732, Co-Investigator (P.I. Michaela Benzeval).

Pilot Application in Urban Landscapes: Towards integrated city observatories for greenhouse gases (PAUL); European Commission via Integrated Carbon Observation System European Research Infrastructure Consortium (ICOS-ERIC), Finland; 01-01-2022 to 31-12-2025, €13,000,000 (Essex €31,082), Essex P.I.

European Social Survey Sampling and Weighting; European Commission via City, University of London; 01-06-2021 to 31-05-2023, €13,424 (€370,239 initial award plus €170,383 extensions), Principal Investigator.

Exploration of Statistical Weighting in the Graduate Outcomes Survey; Higher Education Statistics Authority; 01-04-2021 to 31-05-2021, £26,748, Principal Investigator.

Cohort Community Research and Development Infrastructure Network for Access Throughout Europe (Co-Ordinate); EU Commission; 01-04-2021 to 31-03-2025, €4,200,000 (Essex €20,510), Named Researcher (P.I. Gary Pollock).

Understanding Society: The UK Household Longitudinal Study Waves 13-15; ESRC; ES/T002611/1; 01-04-2020 to 31-12-2025, £49,930,326, Co-Investigator (P.I. Michaela Benzeval).

Next Steps in Securing the Sustainability of the European Social Survey (ESS-SUSTAIN-2); European Commission; 01-02-2020 to 31-03-2024, €5,244,970, Co-Investigator (Essex PI) and work package leader (P.I. Rory Fitzgerald).

European Social Survey Sampling and Weighting Expert Panel; European Commission via City, University of London; 01-06-2019 to 31-05-2021, €392,284, Principal Investigator.

Understanding Society: The UK Household Longitudinal Study extension for Wave 12; ESRC; ES/S007253/1; 01-07-2018 to 31-12-2022, £16,042,996, Co-Investigator (P.I. Michaela Benzeval).

European Cohort Development Project; EU Commission; 02-01-2018 to 31-12-2019, €2,048,880 (Essex part €197,081), Co-Investigator (Essex PI) and work package leader (P.I. Gary Pollock). <https://cordis.europa.eu/project/id/777449>

European Social Survey Sampling and Weighting Expert Panel; European Commission via City, University of London; 01-06-2017 to 31-05-2019, €279,644, Principal Investigator.

Third network for the analysis of EU Statistics on Income and Living Conditions (EU-SILC); Eurostat; 01-06-2016 to 31-10-2019, €2,000,000 (Essex €91,000), Co-Investigator (Essex PI) and Director of a cluster of work packages (P.I. Eric Marlier)

Analysis of a feasibility study for a longitudinal survey of indebted people; Money Advice Service; 01-06-2018 to 31-03-2020, £20,297, Principal Investigator.

Development of a longitudinal survey of indebted people; Money Advice Service; 01-06-2016 to 31-05-2018, £16,360, Principal Investigator.

Scoping of a longitudinal survey of indebted people; Money Advice Service; 12-10-2015 to 28-02-2016, £4,695, Principal Investigator.

Understanding Society: The UK Household Longitudinal Study: Waves 9-11; ESRC; ES/N00812X/1; 01-04-2016 to 31-12-2021, £30,212,002, Co-Investigator (P.I. Michaela Benzeval).

Second EU Survey of Minority Discrimination (EU-MIDIS2); European Fundamental Rights Agency via Ipsos MORI; 01-01-2015 to 30-06-2017, €4,500,000, Academic Advisor (P.I. Andrew Cleary).

Measuring Youth Wellbeing (MYWeB); EU Commission; 03-03-2014 to 31-08-2016, €1,671,591 (Essex part €103,004), Co-Investigator (Essex PI) (P.I. Gary Pollock). <https://cordis.europa.eu/project/id/613368>

Understanding Nonresponse on Understanding Society; NCRM; DU/512589103; 01-04-2013 to 30-09-2014, £157,243, Principal Investigator.

Understanding Society Waves 6 to 8; ESRC; ES/K005146/1; 01-04-2013 to 31-03-2018, £31,987,749, Co-Investigator (P.I. Nicholas Buck).

The distribution and dynamics of UK citizens' environmental attitudes, behaviours and actions; ESRC; ES/K002988/1; 01-01-2013 to 30-06-2014, £140,356, Co-Investigator (P.I. Simonetta Longhi). <https://gtr.ukri.org:443/projects?ref=ES%2FK002988%2F1>

Survey data quality in panel surveys: trade-offs between nonresponse and measurement errors; ESRC; ES/K001027/1; 01-10-2012 to 30-09-2015, £132,373, Mentor.

The how, why and when of web surveys for the general population; National Centre for Research Methods; 01-09-2012 to 31-08-2013, £31,840, Co-Investigator (P.I. Gerry Nicolaas).

Innovative approaches to methodological challenges facing ageing cohort studies; National Centre for Research Methods; 01-07-2011 to 31-10-2012, £22,455, Co-Investigator (P.I. Tarani Chandola).

Understanding Society and the UK Longitudinal Studies Centre; ESRC; ES/H029745/1; 01-04-2010 to 31-03-2015, £26,590,421, Co-Investigator (P.I. Nicholas Buck).

UK Survey Resources Network; ESRC; ES/G034303/1; 01-11-2008 to 31-10-2011, £950,488, Principal Investigator.

Life chances and living standards across the new Europe; ESRC; ES/G007241/1; 01-07-2008 to 30-06-2011, £379,953, Co-Investigator (P.I.s Richard Berthoud and Maria Iacovou).

Understanding non-response and reducing non-response error; ESRC; ES/E024246/1; 01-10-2007 to 30-09-2010, £218,564, Principal Investigator.

Solving the problem of attrition in longitudinal surveys; ESRC; ES/E024327/1; 01-09-2007 to 30-11-2010, £298,237, Co-Investigator (P.I. John Bynner).

Mixed Modes and Measurement Error; ESRC; ES/E024270/1; 01-09-2007 to 31-08-2010, £245,884, Co-Investigator (P.I. Gerry Nicolaas).

UK Longitudinal Household Study; ESRC; ES/F000537/1; 01-04-2007 to 31-03-2012, £15,500,000, Co-Investigator (P.I. Nicholas Buck).

7. Consultancy

Many projects, of which the following are examples:

Long-term survey strategy: mixed-mode approaches (Scottish Government via Ipsos, 2023-24)

Sample design and weighting for the EU Survey on Immigrants and Descendants of Immigrants (EU Agency for Fundamental Rights, via Ipsos, 2020-21)

Mobile research methods to measure financial inclusion in developing countries (FinMark Trust, 2018-19)

Push-to-web design for the EU Fundamental Rights Survey (EU Fundamental Rights Agency, via Ipsos MORI, 2017)

Development of a longitudinal study of indebtedness (Money Advice Service, 2016-18)

Evaluation of the Food and You Survey (Food Standards Agency, 2015)

Re-evaluating the suitability of RDD methodology for the Active People Survey (Sport England, 2015)

Sample design for minority and immigrant groups in the 28 EU member states, EU-MIDIS-II (EU Fundamental Rights Agency, via Ipsos MORI, 2015)

Survey design, survey of visitors to North York Moors National Park (York Potash, 2014)

Design of the longitudinal component of the EU-SILC survey (Eurostat, via DevStat, 2012)

Introducing mixed data collection modes to the European Social Survey (City University, 2012)

Improving democracy through high quality exit polling (British Embassy in Kyiv, 2012)

Sample design for “Life Study”, the new UK birth cohort (Institute of Child Health, 2012)

Longitudinal survey methods for the Household Finances and Consumption Survey (European Central Bank, 2011)

Weighting the Tanzanian Household Panel Survey (World Bank, 2011)

Weighting the Ugandan Household Panel Survey (World Bank, 2011)

Non-response adjustment methods for the Chilean Household Panel Survey (Universidad Alberto Hurtado, 2010-11)

Methodology for evaluating the useability of alternative forms of nutritional labelling (Food Standards Agency, 2007)

Designing a longitudinal survey of UK immigrant refugees (with J.Burton, Home Office, 2005)

Designing a longitudinal survey of charging and sentencing (Home Office, 2004)

Design of social policy research in Leningrad Oblast (Department for International Development, 2004-2005)

Design and implementation of EU-SILC (Czech Statistical Office, 2004)

Mixed-mode data collection strategies, European Social Survey (City University, 2003-2005)

Methods for missing data, Edinburgh Study of Youth Transitions and Crime (University of Edinburgh, 2004)

Methodology for surveys of non-respondents (Commission for Health Improvement, 2004)

Feasibility study for a socio-economic panel survey in Thailand (with H.Laurie and N.Buck, Thai National Statistical Office, 2003)

Support and training to the Institute of Statistics (INSTAT), Albania (with H.Laurie, F.Williams and J.Burton, Department for International Development, 2002-2004)

Sample design and weighting for household surveys in Bosnia and Herzegovina (Department for International Development, 2002-2004)

The feasibility of estimating the prevalence of offending by self-report methods (Home Office, 2001)

Quality, accuracy and interpretation of survey-based data (CMS Cameron McKenna, 1999-2001)

Re-design of the UK Day Visits Survey (Forestry Commission and Department of Culture, Media and Sport, 2001)

Issues in the long-term strategy and design of the English House Condition Survey (Department of Transport, Local Government and the Regions, 2000-2001)

The feasibility of conducting general election studies by telephone (with G.Nicolaas and K.Thomson, ESRC, 1999-2000)

Review of the methodology of the British Crime Survey (with D.Elliot, Home Office, 1999-2000)

Designing a survey of nursing and care homes (with J.Laiho, Department of Health, 1999)

Sample design for the 2001 English House Condition Survey (with R.Thomas & K.Pickering, Department of the Environment, Transport and the Regions, 1999-2000)

Methodology of the UK Tourism Survey (English Tourist Board and partners, 1999)

Sample design for a survey of CVD patients (Department of Health, 1998)

The use of survey data in the calculation of fund allocation scores (Heart of England Training and Enterprise Council, 1996)

An investigation of non-response on the British Crime Survey (Home Office, 1995-1998)

Optimum stratification for the Health Survey for England (Department of Health, 1994)

Sampling frames for local house condition surveys (with R.Thomas, Scottish Homes, 1993)

The effect of computer-assisted interviewing on attitudinal data (Sainsbury Trust, 1993)

Weighting and interpreting the London Housing Survey (London Research Centre, 1992)
